

JBR Welcomes

Sara J. Thorne

Environmental Specialist

B.A., Biological Anthropology, San Diego State University, 2003

Years of Experience: 7

Sara Thorne has joined JBR Environmental Consultants, Inc. as an Environmental Specialist. Sara has a B.A. in Biological Anthropology and over seven years of experience in the environmental field. She specializes in general wildlife and botanical surveys, focused sensitive wildlife and plant surveys, nesting migratory bird surveys, vegetation transect surveys for reclamation, pre-construction surveys, wetland delineation and permitting, biological report writing, permit preparation, and the preparation of NEPA and CEQA documents.

She joins the JBR team of 125 professionals including wildlife biologists, botanists, wetland specialists, air quality specialists, soil scientists, geologists, hydrologists, hydrogeologists, hazardous waste professionals, GIS specialists, and regulatory professionals. Sara is located in JBR's Reno, Nevada office, one of 10 JBR offices serving clients throughout the West.
